Athlete Retirement from Motorcycle Sport

An athlete can chose to retire from sport at any time. If an athlete officially retires, they undertake not to be involved in sport under any capacity whatsoever and will not be subject to Testing. If currently serving a ban, any remaining period will be put on hold. No refund will be given for an SACU licence if an athlete retires.

Should an Athlete not on the National Registered Testing Pool or Domestic Testing Pool wish to retire from competition, they must do so formally by contacting the SACU Office and providing the following information:

- Identifiable details – full name, licence number, date of birth, sport discipline, current club
- The date of the retirement
- Written statement to confirm retirement (this should be signed or sent from the verified email address on file with the SACU)

An athlete can return from retirement at any time.
