

SACU – Motorcycle Sport Scotland

Club Funding Guide 2021

motorcyclesport scotland

This guide has been created for clubs to identify and apply for funding to aid their development plans and sporting activity. If you require assistance in applying for any of the funding available please contact the sports development team on gillian.sefton@sacu.co.uk or shabaz.khan@sacu.co.uk or alternately contact the office on 01506 858354

1. Government Funding Sources

National Lottery Awards for All Scotland

The programme gives grants of between £300 and £10,000 to projects that aim to help improve local communities by promoting education, the environment and health. They fund a wide range of activities and look to provide support to projects that meet their intended outcomes.

Who can apply?

- voluntary or community organisation
- registered charity
- constituted group or club
- not-for-profit company or Community Interest Company
- school (as long as your project benefits and involves the communities around the school)
- statutory body (including town, parish and community council).

Priorities

You can apply to Awards for All Scotland if you are a not for profit, voluntary or community group; social enterprise; community council; school; or statutory body. Funding may be awarded to a range of projects which involve bringing local people together, helping people learn, improving local spaces and getting people more active. You do not need to meet any priorities to be considered for a grant but your application will be stronger if you do.

Priority will be given to applications which are:

- bringing people together and building strong relationships in and across communities
- improving the places and spaces that matter to communities
- enabling more people to fulfil their potential by working to address issues at the earliest possible stage.
- Engage young people from our most deprived areas
- Engage girls and young women
- Engage disabled young people

Awards for All will pay for some or all of the project costs for up to 12 months for both new and existing projects. This includes activities that form part of a larger project. Clubs can apply to Awards for All and another Lottery funding programme for the same project so long as they do not ask for the same activities to be funded in both applications.

Awards for All will fund:

- ✓ New equipment or materials for hire or purchase – e.g. team clothing or kit
- ✓ Updating equipment for health and safety reasons
- ✓ Putting on a new event, activity or performance – e.g. venue hire

- ✓ Annual events not previously funded by Awards for All
- ✓ Start-up costs
- ✓ Publicity materials for use in your project
- ✓ Improvements or additions to community buildings or play facilities
- ✓ Feasibility studies for community building projects
- ✓ Building, refurbishment, landscaping or property projects (including playgrounds and temporary buildings) costing £75,000 or less (including VAT)
- ✓ Staff costs - sessional workers (those who work only as and when required)
- ✓ Volunteer expenses
- ✓ Training
- ✓ Transport costs

Awards for All will not fund:

- ✗ individuals
- ✗ sole traders
- ✗ Companies that can pay profits to directors, shareholders or members (including Companies Limited by Shares)
- ✗ organisations based outside the UK
- ✗ organisations that have already sent a National Lottery Awards for All application and are waiting for a decision
- ✗ organisations that don't have at least two people on their board or committee who aren't married, in a long-term relationship, living together at the same address, or related by blood
- ✗ one organisation applying on behalf of another. Be careful of businesses or consultants who say they can support you with your funding applications. They might even say they're acting on the Fund's behalf, or they're a preferred supplier of the Fund. They could even offer to write an application for you. We wouldn't accept applications from these types of businesses or consultants. But you can get support and advice on writing your application from your local CVS (your local council for voluntary services).
- ✗ organisations that have a current National Lottery Awards for All grant, or are waiting for a decision on another National Lottery Awards for All application.
- ✗ projects to improve school facilities or equipment
- ✗ projects to help with staff training
- ✗ projects that are part of the school curriculum
- ✗ projects that involve activities the school should already be providing (like a project teaching literacy during school hours)
- ✗ projects that take place during teaching times (lunch breaks, or before and after school might be okay)

For further info visit:

<https://www.tnlcommunityfund.org.uk/funding/programmes/national-lottery-awards-for-all-scotland>

Sports Facilities Fund

Awards of up to £100,000 are available for sports facility projects within club & communities, school & education or performance sport environments. The Sport Facilities Fund (SFF) supports capital projects that create or improve places where people take part in sport and physical activity.

They want to support projects that provide opportunities for people to get involved in and participate in sport & physical activity.

Who can apply?

Any non profit distributing, constituted organisations whose membership is open to all sections of society.

Examples include:

- Sports clubs, unincorporated organisations
- Community sports hubs
- Community organisations
- Social enterprises such as leisure trusts
- Public bodies such as local authorities
- Charitable unincorporated associations
- Charitable trusts
- Playing field associations
- Youth and uniformed organisations
- Universities, colleges and schools
- Companies limited by guarantee
- Recognised governing bodies of sport
- Community Interest Companies (CIC)
- Scottish Charitable Incorporated Organisations (SCIO)

Priorities

The Sport Facilities Fund prioritises applications from projects where the need and impact are greatest and where outcomes are clear. These facilities can be suitable for community recreation, club sport or high performance training or competition.

Priority Examples

- Projects with a greater focus on growing participation of those groups who are under represented in sport; women & girls, disabled people or those from deprived communities.
- Facilities which increase opportunities for or improve the quality of outdoor and adventure sport
- Sports halls, which can demonstrate good school/club and local authority links, club development and meet accessibility criteria
- Sports Halls which support the community sport hub philosophy (encompassing multi activity/club use and promoting integrated community planning)
- Permanent or portable floodlighting which extends opening hours at training pitches
- Upgrade/improvements/extensions to existing sports halls and the like to create community access and increase the range of available sporting activity
- National and/or regional standard training facilities identified by Scottish governing bodies of sport as part of their facility strategies and/or linked to success at the Commonwealth Games, Olympic Games and Paralympics or other events of national importance

Sports Facilities will fund:

- ✓ The provision of new playing or training facilities
- ✓ The provision of new changing accommodation
- ✓ Extension or upgrading of existing playing or training facilities
- ✓ Extension or upgrading of existing changing accommodation
- ✓ Meeting rooms with a sport related use
- ✓ Floodlighting to training facilities (including natural grass training areas)
- ✓ Storage facilities for playing equipment
- ✓ The purchase of major items of non-personal equipment with an effective working life of not less than 7 years

Sports Facilities will not fund:

- ✗ All repairs, renewals, replacement and maintenance
- ✗ Purchases of mini buses or vans
- ✗ Bars, dining rooms, dedicated social areas and associated spaces
- ✗ Bedroom/residential accommodation
- ✗ Personal equipment
- ✗ General sports equipment not having a life expectancy of more than 7 years
- ✗ Buildings with a life expectancy of less than 20 years
- ✗ Spectator accommodation
- ✗ Works undertaken solely to comply with the requirements of the duty to make adjustments under the Equality Act 2010
- ✗ Administration areas and committee rooms which are not essential parts of sports facilities
- ✗ Feasibility studies and design competitions
- ✗ Speculative purchase of land and/or facilities for utilisation/development in the long-term
- ✗ Purchase of land and/or facilities as a means of saving on payment of rent
- ✗ Any projects which have been started prior to an application being made or a decision being taken by Sportscotland or our approval being given to proceed. Letting of a construction contract constitutes a project start. Engaging design consultants does not constitute a project start. Funding cannot be provided retrospectively

This is an intensive application process which could take up to 4 months. You will most likely still be required to fund at least 25% of the project unless in exceptional cases where the project is taking place in an area of recognised deprivation, in which case the applicant contribution may be reduced to 10%.

This is a rolling application with deadlines of the 1st of April and 1st of September each year.

For further info visit:

<https://sportscotland.org.uk/funding/sport-facilities-fund/>

Direct Club Investment

Direct club investment is unique as it offers investment to support club development over a period of 2-4 years, giving the club time to embed significant developmental change.

Direct club investment is a flexible programme that allows clubs to develop against their specific needs. The key criteria are that the investment must have an impact against one or both of the following outcomes:

- Growth in club membership (Indicators are active club members and qualified coaches)

- Growth in clubs which provide the correct environment to maximise athletes potential to achieve 'world class' performance levels (Indicators are time on task, expert coach contact time and 'growth mind-set' development)

Contact SACU and/or your appropriate **sportscotland** Regional Sporting Partnership Manager for more information and guidance on this.

Each invested project will be monitored by **sportscotland** and will be required to maintain monitoring information on an ongoing basis. The outcomes, outputs and indicators that the club will detail in the business case, along with regular updates on baseline info, will form the basis of the monitoring required.

For further info visit: <https://sportscotland.org.uk/clubs/direct-club-investment/>

Community Amateur Sports Club (CASC)

CASC is not a source of funding but a scheme that recognises the important role of sports clubs in the community by differentiating them from businesses for rates and tax purposes, ensuring money is kept in sports clubs.

Both property and non-property owning clubs can significantly benefit from the scheme. The key benefits of CASC registration include:

- 80% mandatory business rate relief. Local authorities can offer up to 100% relief to clubs at their discretion.
- The ability to raise funds from individuals under *Gift Aid*. A registered CASC can reclaim up to £25 in tax for every £100 donated, though at the moment this does not apply to all types of donations.
- CASCs are exempt from Corporation Tax on profits derived from trading activities if their trading income is under £30,000 pa.
- Profits derived from property income are also exempt for CASCs if gross property income is under £20,000 pa, of particular relevance following the abolition of the nil rate band.
- CASCs whose income does not exceed these thresholds will no longer be required to complete an annual Corporation Tax return.

Relief on business rates alone are estimated by the Chancellor of the Exchequer to be worth £2,000 per year. Whilst this only benefits facility owning clubs, non-facility owning clubs can still significantly benefit from Gift Aid and exemption from Corporation Tax.

Who can apply?

- Sports recognised by the sports council
- Clubs who do not discriminate in any way in their membership policies and who are wholly open to all sections of the community
- Clubs with a core purpose in the promotion of amateur sports participation
- Clubs which are non-profit making, and re-invest any profits in the sports club

- Clubs which stipulate that in the event of being wound up, any remaining assets be distributed to either the sports governing body for use in community sport, another CASC or charity.

For further info visit: www.cascinfo.co.uk

Once completed, these forms should be submitted to the **HMRC**.

Entering the CASC scheme is a decision that should not be taken lightly. For some clubs, joining the scheme may not be the best option. HM Revenue & Customs provide a charities helpline on **08453 020203**, providing clubs with an opportunity to discuss the guidance relating to CASC registration and their individual applications.

EventScotland

Given the unprecedented nature and impact of COVID-19 on events and event organisers, we have decided to suspend funding applications for Round 45. We are currently reviewing the National Events Programme and will be making changes to the criteria and application process to ensure future funding is focused on supporting and re-establishing Scotland's events industry as soon as the current event gathering restrictions are lifted. Details of the revised funding available and application process will be published here in due course and shared through our e-newsletter and on our Twitter and LinkedIn channels. In the meantime, if you have any queries or questions about your event or other funding opportunities, please contact one of our Event Managers or email us at information@eventscotland.org

EventScotland runs a National and International events programme. The International Programme supports major world class events that raise Scotland's profile around the world.

The National Events Programme is designed to support Scotland's sporting and cultural events industry, out with the cities of Edinburgh and Glasgow, in showcasing Scotland's assets. The programme helps those events to generate increased national and sometimes international profile, and attract increased visitors and tourists from Scotland and beyond. You can apply for between £4000 and £25,000 but the funding cannot equate to more than 25% of the total event cost (i.e the total cost of the event must be at least £16,000).

Who can apply?

The National Events Programme supports events which:

- Generate economic benefits for specific regions of Scotland and Scotland as a whole
- Attract visitors to specific regions of Scotland from other parts of the country and beyond
- Enhance the profile and appeal of the host region
- Inspire and involve local communities

Priorities – Assessment Criteria

When assessing events through the National Events Programme, industry experts at EventScotland look at the ways in which the event will create a positive impact for a specific region of Scotland and Scotland as a whole. Listed below are the 7 impact areas. The first 3 are prioritised in determining which events to support and at what level.

- Tourism
- Image and Identity

- Media
- Environment
- Business
- Participation and Development
- Social and Cultural Benefits
- Have a total event cost of at least £16,000

In addition, the viability of the event and the management experience of the event owners are also assessed to ensure the growth and development of the event is practical and sustainable. They will also look for event organisers to; have proven management skills to undertake the project, have secured a sufficient amount of commercial sponsorship, have the support of their local authority and have a viable business plan.

The National Events Programme is a development programme and therefore does not provide long-term or core funding (Max 3 years). It is designed to support additional elements or new activity specifically intended to grow events.

For further info visit: <http://www.eventscotland.org/funding-and-resources/national-events-programme/>

Winning Students

Winning Students is Scotland's sports scholarship programme supporting students competing in high performance sport. Scholarships are available to full-time and part-time students at various Scottish colleges or universities. It is open to both able-bodied and disability athletes.

The scholarships are awarded annually and can value up to £6000 per annum, providing tailored support and academic flexibility. Scholarship funding can be spent on a number of support services from student accommodation to competition fees and sports equipment.

Who can apply?

The selection criteria include:

- You must have a British passport and be able to represent either Great Britain or Scotland
- You must be studying or set to study at a college or university in the Winning Students network
- You should be aged 16 to 28 for able-bodied athletes or aged 16 to 35 for disability athletes though scholarship upper age limits are flexible
- You should meet the sporting criteria as outlined for each sport

Deadline

The start of each academic year

For further info visit: <http://winningstudents-scotland.ac.uk/the-scholarship/>

2. Independent Funds

Bill McLaren Foundation

The Foundation was set up in 2011 with Bill's blessing and the support of his family. Primarily created to promote and develop Rugby Union and its values, the Foundation also aims to provide opportunities for young people in other sports.

Who can apply?

The foundation is open to voluntary/community groups, sports clubs, schools and individuals.

Priorities

Projects should meet one or more of the following objectives:

Support and encourage sporting opportunities of all young people within Scotland and elsewhere

Advance education in sport of all kinds for the benefit of the public

For further info visit: www.billmclarenfoundation.co.uk

The Dickie Bird Foundation

Many children through no fault of their own, are disadvantaged and underprivileged due to the financial situation of their family, guardians or carers. As a result, they are often unable to participate or continue in the sport of their choice.

Who can apply?

The Foundation offers one-off small grants, up to £500 to children under 16 who are participating in any sport of their choice.

The grants are to help with:

- ✓ Clothing that is necessary to take part in sport
- ✓ Sporting equipment for them to take part or continue in their chosen sport

For further info visit: <http://www.thedickiebirdfoundation.co.uk/>

The Weir Charitable Trust

The Weir Charitable Trust aims to support Scottish-based community groups and small charities to provide services across Scotland to help the Scottish community. These groups and charities are likely to have found it difficult to access funds elsewhere.

Who can apply?

Applicants must be a community group or small charity, applying from a Scottish address, providing services to improve the quality of life for people and communities in Scotland. It must have an income of less than £100,000 a year and must be seeking an award of less than £25,000. Additionally, it must fit within a Qualifying Category.

The Trust will fund:

- ✓ Sport – Encouraging and increasing public participation in sport
- ✓ Recreational Facilities – Provision or organisation of recreational facilities which aim to improve the conditions of life for those who use them (priority given to facilities intended for those who are disadvantaged through age, ill health, disability, financial hardship etc.)
- ✓ Health – Promotion of advancement of health
- ✓ Culture – Supporting the heritage of Scotland through projects that encourage participation in a preservation of Scottish culture

The Trust will not fund:

- ✗ Individuals
- ✗ Commercial activity
- ✗ Research
- ✗ Educational establishments
- ✗ Public sector bodies
- ✗ Pilot projects
- ✗ Nor can it provide sponsorship

The average award granted to date is £3,500 but, *in exceptional circumstances*, the Trust will consider applications for funds up to £25,000.

Deadline

27/08/21

For further info visit: www.weircharitabletrust.com

3. Local Authorities

There are 32 local authorities in Scotland. The vast majority have grants available for sports clubs and/or individuals and details for these are listed below. If your local authority is not included in the following pages, it may still be worth contacting them if you have a specific developmental need.

Aberdeen City Council

The aim of the Youth Activities Small Grants funding is to support children and young people by enabling them to apply for a small amount of funding to help them develop and to take part in activities that might not otherwise be available for them.

The fund will offer young people opportunities to contribute to their own communities and to the life of the city. Successful applicants are likely to benefit in terms of gaining experience, confidence and skills.

Applications will be considered and decisions made by members of the Aberdeen City Youth Council (YC) and local Councillors.

For further info visit:

<https://www.aberdeencity.gov.uk/services/leisure-culture-and-parks/youth-activity-grants>

Aberdeenshire Council

Grants available to clubs and club members affiliated with the Aberdeenshire Sports Council:

http://absportco.org.uk/grants_available.php

Angus Council

Angus Council offers grant support via the common good fund –

https://www.angus.gov.uk/community_empowerment/community_and_european_funding/apply_for_common_good_funding

Argyll & Bute

Grants available via –

<https://www.argyll-bute.gov.uk/community-life-and-leisure/grants-and-funding>

Borders Council

Grants available via –

4. Alternative Funding and Useful Links

Scottish ClubSport

Expanding on the nature and unique structure of sports councils, Scottish ClubSport is committed to growing the foundations put in place over the last 40 years by SALSC. The evolution of a national and local structure relevant to the sporting landscape of today will see sports councils embrace new opportunities and a modernised clubsport framework, engage knowledge and empower sports networks to work together at a local level.

Scottish ClubSport has identified four priority areas. These are:

- Membership Development
- Volunteer Support
- Advocacy Activity
- Strong Governance

<https://www.scottishclubsport.co.uk/>

LANTRA

LANTRA offer training in a wealth of subject areas including Off-Road Driving, Health and Safety, Forestry and Arboriculture and Environmental Conservation. They have developed a wide variety of training, from short courses to full qualifications to meet the needs of employers and learners.

For more information on courses available, visit: <http://www.lantra.co.uk/>

For information on assistance regarding funding LANTRA qualifications, contact:

SACU Office – 01506 858354; office@sacu.co.uk

Windfarm and Landfill Funding

Community Windfarms and have a local fund available as community payback. Each one is different with a specific beneficiary area. In some cases, South Lanarkshire being one, there is a combination of windfarm sites into one larger fund that is distributed via the Local Authority. For more information regarding Windfarm Funding, contact your Local Authority in the first instance.

Landfill sites also have a similar fund available. Similarly to Windfarm Funding, each site varies with regards to how funds can be achieved. Viridor, for example, is a programme now administered nationally. For more information, visit: <https://www.viridor-credits.co.uk/apply-funding>

Tesco Community Grants

Tesco Community Grants support local good causes that focus on helping children and families.

Examples of eligible applications with a focus on supporting children and families could be;

- a local school needing food for a children's breakfast club,
- a voluntary organisation working with families to run holiday clubs,
- a charity supporting young people with specialist advice to manage mental health,
- a brownie or scout group needing new tents,
- or a youth sports club needing new equipment,
- a family advice centre wanting to recruit more volunteers,
- or a local friends of a park group wanting to develop a new toddler area.

Tesco Community Grants support thousands of local community projects and good causes across the UK. The scheme is open to registered charities and not-for-profit organisations, so if you are an eligible organisation then apply for a grant now. If you are a Tesco customer or colleague, you can nominate a cause that you'd like to see supported and we'll contact them to encourage them to apply. We'll select those that need a little help in your local area and when our customers are given a blue token, in any of our Tesco stores at the checkout, they can vote for their favourite charity to receive a grant by putting the blue token in the Tesco Community Grants box.

For further info visit: <https://tescocommunitygrants.org.uk/>

Aldi Scottish Sport Fund

Applications for the Aldi Scottish Sport Fund are open to clubs in Scotland which run sporting activities for the benefit of a range of participants from the local community. To be considered for the Sport Fund, organisations must be based in Scotland and must meet one or more of the following criteria:

- a local, community focused club with Sport at the heart of what you do
- a registered community amateur sports club (CASC)

ASDA Foundation

The Asda Foundation supports small, grass roots organisations in several ways throughout the year. Working with Asda's Community Champions in store, we are able to work with a range of organisations and groups on a variety of local community projects. Below are the different ways we support communities.

For further info visit: <http://www.asdafoundation.org/foundation-grants>

Morrisons Foundation

The Morrisons Foundation awards grant funding for charity projects which make a positive difference in local communities. In the main grants are available to fully fund projects up to £25,000.

The Aviva Community Fund

Through the Aviva Community Fund, we're committed to supporting the organisations that are doing great work to build stronger, more resilient communities across the UK. We've provided thousands of causes with funding, skills and resources, and we've seen up close just how much of a difference this has on the lives of the people involved.

By delivering quarterly funding and year-round support, we hope to get behind projects that are making a sustainable impact on their community

Bank of Scotland Foundation

Bank of Scotland Foundation receives an annual donation from Lloyds Banking Group as part of the Group's commitment to Helping Scotland Prosper. We donate these funds to charities across Scotland through our Grants Programmes and a Matched Giving Programme for Lloyds Banking Group employees in Scotland. Launched in March 2019, 'Supporting Positive Change Across Scotland' is the Foundation's five year strategic plan which will see a range of new funding programmes open in 2019 and 2020.
