PRESS BULLETIN
ENTRIES OPEN ON 1 OCTOBER 2022

Saturday 1 October 2022 is the eagerly awaited opening date for entries for the Pre'65 Scottish Trial 2023.

The entry window will be open for the next 8 ½ weeks before closing at 3pm on Wednesday 30 November 2022 so you have plenty of time to get good quality bike photos done before submitting them along with your fully completed entry form. Please take the time to read and follow the instructions that accompany the entry and machine details form. The 2023 Entry Form, Machine Eligibility Guide and the Supplementary Regulations for the event can be found on our website at www.pre65scottish.com. You are advised not to leave sending your entry off until the very last minute to avoid the disappointment of it not being accepted for not being complete or photographs being unacceptable or it not arriving in time. Any entries that are still not acceptable or arriving after the cut-off will not be included in the anticipated ballot of entries.

Preparations are underway to make next years event another fantastic one and following the success of the single lap loop in 2022, the format will remain the same for the coming year as this was proven to be beneficial to everyone, particularly observers, who had a significantly shorter day standing out on the hill.

More information on the event will be posted in due course so keep your eye on our website and facebook page to keep yourself updated.
