Well!! What a day! Weather so good - sun shining, no rain, wind or snow - who cares about trials! However riders insisted on throwing themselves around the course, riding tricky burns, up hill climbs, steep downhills and conquering some challenging steps. They certainly seemed to enjoy it!! There was plenty of relaxed chat at the end while riders stood about, ate their pies and took in the results - although some thought ice cream would have been a better idea!

Thanks to all those who helped set up the trial and to the Landowner for allowing us to use such a brilliant piece of ground.

Next trial will be the Team Trial on June 18th at Balmuick Comrie. Hope to see lots of teams from every club for a fun day.
