SERIES All Championship rounds will count. In the event of a tie at the end of the season the winner will be decided by the most class wins, followed by most seconds etc

GRADING At 1st November. The points awarded to the leader in the Clubman Class will set the standard for other riders to be upgraded for the following year. As well as the Clubman Class Leader, all point scorers within 15% of the class leader will be upgraded to Expert Class. Downgrading from Expert Class will be considered by the Enduro Committee on written application to the SACU Office. At any time, however an Expert may choose to downgrade himself but thereafter, until formally accepted as a Clubman by the Enduro Committee, will not receive any Championship points or class awards, nor can he set the standard for medals.

The points awarded to the leader in the Clubman 'B' class will set the standard for other riders to be upgraded for the following year. As well as the Clubman 'B' class leader, all point scorers within 15% of the class leader will be upgraded to Clubman class. If a rider does not wish to be upgraded they may continue to ride in Clubman 'B' class but will not receive points or set standards for medals.
