All commercial coaches require a three day first aid course as well as personal liability insurance cover. It is recommended that off road coaches attend a minimum of a one day Emergency First Aid at Work course within 6 months of becoming certified.

12) SACU WEBSITE & FACEBOOK: Updates will occur on a Wednesday of each week. If any clubs wish to include anything of interest please contact the SACU office either by telephone or email. We will also post a link to event entry forms where supplied.

13) ACU BENEVOLENT FUND: We must thank all club members for their donations - the Ben Fund is entirely reliant on donations from members and other fund raising sources. As you can imagine, it is not a bottomless pit and is dependent on donations and fund raising activities by the members. The ACU Benevolent Fund was established in 1951 and has, for many years, provided a prop for ACU/SACU club members and their families in times of extreme difficulty.

14) 2014 MEMBERSHIP FEES. A Reminder to clubs that membership fees will be due before the end of the year – a request for this will be sent out in the next Bulletin in October. Membership fees as agreed at the 2013 AGM and confirmed at the 2104 AGM will be based on the number of votes per club.
