22nd September 2016

Dear Club Secretary/Committee Member

BULLETIN NUMBER 05/2016

The time has once again come round for the submission of dates' applications to allow the compilation of the Fixtures List for 2017.

1) SCOTTISH CHAMPIONSHIP DATES:

Please submit your requested Championship dates for events in 2017 by the 28th October 2016. This is to allow compilation of a calendar of events for each Discipline. The requested dates will be passed on to the discipline dates meetings where Championship dates will be confirmed.

It is appreciated that disciplines await the ACU Championship dates to be published and these will be forwarded as soon as they are available.

National dates can also be submitted at the same time and will be confirmed after the discipline dates meetings. These dates should be arranged around the approved list of Championship dates

Please ensure you use the attached Championship and National date request forms. The 2017 Permit application form is attached. A completed permit with the correct fee must be sent for each requested date.

These dates will be emailed to all Club Secretaries and Discipline Chairmen.

2) REMEMBRANCE SUNDAY & AGM DATES

Remembrance Sunday	13 th November 2016
Remembrance Sunday	12 ^h November 2017
AGM	26th February 2016

No permits are issued for these dates

3) SACU AWARDS

Each discipline will host their own Awards Ceremony. Dates for these will be announced as they are arranged.

Road Racing will hold their SACU Awards as part of the Knockhill MSC Awards on the 28th of January.

4) CLUB CONTACT:

Please complete and return the annex attached to this bulletin regarding your contact details for the Fixtures list/website for 2017. This is the main contact in the club who I will send out paperwork to for items such as the AGM.

I would be grateful if the form could be returned by the end of October. An email contact is very important for each club as the bulk of our communications now use this format.

5) PERMIT FEES 2017

You will see at the foot of the application form there are the details of the permit fee rates for 2017 and each event application **MUST** be accompanied with the appropriate fee. I am also attaching to this bulletin the permit application form to be used for 2017.

Despite an increase in Insurance Tax the SACU is able to keep our permit and insurance costs for 2017 at the same level as 2016. The SACU has increased the level of insurance cover to £30m for all events.

9) **ACU BENEVOLENT FUND:** We must thank all club members for their donations - the Ben Fund is entirely reliant on donations from members and other fund raising sources. The 25 pence donation from each rider per event is a major item in our donation and is very much appreciated. As you can imagine, it is not a bottomless pit and is dependent on donations and fund raising activities by the members. The ACU Benevolent Fund was established in 1951 and has, for many years, provided a prop for ACU/SACU club members and their families in times of extreme difficulty.
