Privacy Policy

The SACU is the recognised licencing Authority for Motorcycle Sport in Scotland.
 We collect data from members for the purpose of issuing race licences, official’s licences, race start permissions and insurance.
 Details are stored on a computer system to allow the production of licences and record results where required for licence conditions (Road Race and Trials).
 This information is stored securely and accurately.
 Personal details are only used for contacting members re licencing matters, notification of awards and investigation of medical matters.
 Clubs may be provided with a member’s name and licence number to prove they hold a licence for competition.
 Clubs provide a list of members annually - these are stored in paper format and only used to confirm numerical accuracy of membership submissions.
 Payment details submitted are used to take payment and then immediately destroyed. No payment details are recorded.
 We may disclose your personal information to the extent that we are required to do so by law in connection with any legal proceedings or prospective legal proceedings. This will include the reporting of personal accident details for insurance purposes
 Except as provided in this privacy policy, we will not provide your information to third parties.
 Members have the right to request a copy of the data recorded about them for accuracy. Please let us know if your information needs to be corrected.
 Members may submit a complaint to the Information Commissioners Office if their information is inaccurate or used inappropriately.
