Connor Mair			2					2

NOTE: The 2018 SACU Trials Championships will be run over a maximum of 7 rounds. Each rider's performance from the number of rounds held (minus their lowest scoring round) will be added together and the rider with the highest number of points to his or her credit will be awarded the relevant Championship title. If a round is cancelled, the points allocated to each rider will be taken from the number of rounds held, minus their lowest scoring round.
