

Scottish Championship Classes 2019

Class		Specification
Scottish Superbikes Scottish Superbike Cup – ‘Clubman’ with KMSC, Formula Melville with MMC.		4 stroke motorcycles exceeding 590cc and up to 1300cc, (not exceeding 10 years old.) Scottish Championship points awarded on straight race result. <i>“SACU Cup” class will run within this series for those who consider that they do not have the resource or lap times to contest the Championship. “Cuppers” will run two scores – one towards the Championship and one towards the Cup Series. This is in order to make the Series accessible to all. <u>The top 3 in the Cup will automatically become Superbike only competitors in successive years. Also those attaining Superbike lap times, will be automatically excluded from Cup points, at the discretion of the Event Secretary.</u></i> Any tyres, including slicks and wets allowed. Numbers - Front Plates White Plate with block black numbers. KEEP IT LEGIBLE. <i>Red Plate with white numbers will be accepted also.</i> <i>BSB number plates WILL NOT be accepted unless proof of competing in the current BSB year. Numbers MUST BE legible. Technical Official and Clerk of the Course decision is final.</i>
Formula 600		Production based machines, 600cc four stroke-four cylinders, 675cc four stroke-three cylinder solo machines. Rebores up to the manufacturer’s maximum recommended re bore size are permitted. Standard carburettors or fuel injection as homologated to be used (ie as per original model for that year). Treaded tyres only (including wets). Numbers – Front Plates White with blue numbers. <i>(Red Plate, Yellow numbers also accepted).</i>
