

Road Racing 2020

We plan to run **Improver Sessions**, again in 2020, we would like to thank all those who make these sessions possible:-

- The SACU Office who take the bookings – because of the number of bookings (preventing others from registering, a booking fee will be taken).
- The circuits, in particular **Knockhill Race Circuit** for hosting 3 Tuesday night sessions, briefing room, etc.
- The Rider Advisors/Trainers who give up their time to give you the benefit of their comprehensive knowledge and experience (*could be seen as sharing their trade secrets*).
- The SACU Officials and Marshals who run these sessions, because we do believe that this track time and experience is very valuable for new to our Sport.

We recognise also that there are riders within the paddock offering to walk the tracks with interested, less experienced racers – we would encourage you, if you have any trouble with a circuit, to tag along. Thanks to the riders offering to spend time doing track walks, or offering assistance in the paddocks.

There will be no more **SACU Superbike Cup**, however, KMSC and Melville Motor Club will, no doubt, run their Clubman and Formula Melville Championships.

Formula 400 will be run within the Scottish Lightweights.

Not competing at an event? How about volunteering to Marshal? **One licence signature per year** is now available, we believe that being trackside, will benefit your racing experience and appreciation for those who support your racing. Available to all 16 year olds and older.

New Licence Assessments – there will be the two planned dates at the beginning of the season, and then only then available at Improver Nights.

Licence Assessments **will NOT** be undertaken at race events.
